New Club Website

How-to

Michele Vosberg
Director of Learning
at Inspired Together Learning

- **What content is stored on the website and who maintains it?**
- **Who can see the website pages?**
- **Where can I find archived documents?**

- **How will I know when updates are added?**
- **How do committees share information with members?**
- **How is the club website different from the international website?**
- **What are alternate ways for me to get information?**

As a member of the club Communications Committee, Michele has been intricately involved in sharing her web and training expertise as we move from paper archiving to online, password-protected information sharing. She will summarize the year-long process undertaken by the committee to compile existing information, organize it into usable categories, establish security protocols, and create a system to allow for continuous archiving and sharing of new information.

**IF YOU HAVE A LAPTOP, TABLET, OR OTHER DEVICE,
PLEASE BRING IT TO THE MEETING!**

Follow along as Michele explains how to log in to access member-only information. A handout to take home will be provided and shared with members who cannot attend.

Service Committee Update

- **Little Free Library Project**
 - We placed 73 books and 240 coloring books in 40 locations for Sexual Assault Awareness Month. It seems they were being taken quickly in several locations. Zontians should check the location where they placed books and let Susan Ballard know the results. susaninwis@hotmail.com or 608-246-8505
- **April - Thank you for the donations collected for DAIS**
 - *On Saturday, April 21, several Zontians assembled Maybaskets for senior women in Dane County. As a partnership with the West Madison Senior Center and the East Madison/Monona Coalition of the Aging, Zonta is providing the baskets to targeted low-income senior women to brighten their spring and to show them how much Zonta cares.*
- **Report Your Hours!**
 - Please email Kat Dellenbach with your hours report for the past few months. kdellenbach@gmail.com. Remember that the Little Free Library delivery counts towards your service hours!

- Kat Dellenbach, Service Committee Chair
